

Peter Ogundipe

Junior Software Tester

+2348126328583 | peterogundipe84@gmail.com | 17 Olora Layout Adebayo Road, Ado Ekiti, Nigeria.

PROFESSIONAL SUMMARY

Results-oriented Junior Software Tester with a keen eye for detail. Skilled in test case development, execution, reporting and defect tracking. Know a bit of JavaScript, HTML, and CSS. Possessing strong communication and collaboration skills, I am adept at working closely with development teams to ensure product excellence. I love discussing product design and contributing to product decisions. In my free time, I play chess, football, and volleyball.
